

COVID-19 Client Protocols

6/15/20

As time passes and factors change, these protocols **will** evolve, but until **then please do not vary from these new procedures** (set 6/15/20).

- Please take your temperature before coming to the studio.
- Please **do not** come to the studio if your body temperature is notably elevated or if you are not feeling well.
- Please **wait outside the studio** until your instructor invites you in for your scheduled appointment.
- Clients **must wear masks** and **latex free disposable gloves** provided by PIP while **inside the studio**.
- Please **do not touch** any equipment in the studio unless directed by an instructor.
- Please bring the **minimum of personal belongings** into the studio and please **leave such items in designated areas**.

Thank you for your patience, understanding, and continued patronage of Pawleys Island Pilates during these trying times. The safety and health of all is our main objective.
